

2016
Zone One
Stall Reservations

If you want to be stalled together, please send payment & forms in the same envelope to make it easier to get your full block together – if not, we'll do our best but NO guarantee. **Pre-paid stalls can be split in different checks but if you are paying at the show office, you will need to get with the show secretary on the first day to get her form to do stall splits on individual show bills.**
